Criteria 5

5.1.2

Efforts taken by the institution to provide career counselling including e-counselling and guidance for competitive examinations during the last five years

5.1.2: Efforts taken by the institution to provide career counselling including e-counselling and guidance for competitive examinations during the last five years

Dev Sanskriti Vishwavidyalaya is dedicated to providing high-quality education and career counseling to prepare students for competitive exams. The successful establishment of the Career Counseling Cell exemplifies this commitment, enabling students to effectively prepare for competitive exams, tackle real-world problems, and discover viable solutions.

Career Guidance Cell

Recognizing the crucial role of career guidance in shaping students' futures, DSVV's Career Guidance Cell is integral to the Mentor-Mentee Scheme. In collaboration with faculty mentors, the cell offers comprehensive career support, which includes:

1. Workshops and seminars on various career paths.
2. Tailored career counseling sessions.
3. Help with job interview preparation and skill enhancement.
4. Opportunities for internships and connections with industry professionals for practical experience.

Additionally, the cell partners with alumni to establish mentorship opportunities, allowing students to learn from the experiences of successful graduates.

Professional Internship in the Career Guidance Centre: Following a successful short-term internship program, DSCGC aims to launch professional internships for students during their studies. These internships provide field exposure while fostering work ethics and organizational skills among students. Various workshops and lecture series have been introduced within the Career Guidance Cell, with detailed reports available on the university's website.

Psycho-Spiritual Counselling Cell

To tackle the distinct challenges encountered by students from varied backgrounds, DSVV has established a Psycho-Spiritual Counselling Cell called Disha. This cell merges contemporary psychological methods with spiritual insights, offering a comprehensive approach to mental health and well-being. The services provided include:

1. Individual counseling for personal or emotional issues.
2. Group therapy sessions to address shared challenges and promote peer support.
3. Workshops focusing on stress management, emotional intelligence, and mindfulness.
4. Spiritual practices such as meditation and yoga to enhance mental well-being.

The Psycho-Spiritual Counselling Cell works alongside faculty mentors to identify students who require additional support, facilitating a seamless referral process.

Comprehensive Mentoring Approach

DSVV's Mentor-Mentee Scheme ensures continuous guidance throughout students' academic journeys. Each student is paired with a faculty mentor who provides both academic and personal support. The mentoring process includes:

1. Regular one-on-one meetings between mentors and mentees.
2. Group mentoring to foster peer learning and assistance.
3. Monitoring academic progress and intervening as needed.
4. Advice on extracurricular activities and personal growth opportunities.

Unique aspects of DSVV's holistic educational framework are incorporated into this scheme:

1. **Spiritual Development:** Mentors help students cultivate their spiritual potential through daily practices such as yoga, meditation, and rituals.
2. **Community Service:** The university's internship program requires students to commit time to community service, which is integrated into the mentoring process.
3. **Cross-Cultural Understanding:** Given the diversity of the student body, mentors assist in fostering cross-cultural understanding and adaptation.

List of students allotted to each counsellor
